FPX-24MPLDA6

FPX Fiber Optic MPO Module, Multimode Ultra 50/125 (OM3), 12 fiber LC adapter, left, putty white

- FPX modules offer the end-user the flexibility of a plug-and-play MPO architecture with a "grow as you go" approach to the network
- Each module has a front bulkhead identical to the adapter pack with an internal cable assembly converting to an MPO male connector
- All fiber connectivity is housed in an enclosed module with a rear MPO adapter allowing the user to utilize an MPO trunk to turn up service
