

WB2

WB2 Wall Mount Building Enclosure

The CommScope® **WME-EMT** wall mounted building entrance enclosures are designed to enable field and factory terminations, and field splicing in a single unit. Units can accommodate up to 96 SC and 192 LC or keyed LC fiber terminations or 16, 32, and 64 MPO packs. The enclosure also stores fiber splices and can accommodate 96 fusion splices or 72 mechanical splices with the appropriate splice holders.

The panel adapters, ganged adapters, and splice wallets (including splice trays) must be ordered separately. Build-out blocks, coupler, splicing materials, and equipment used with this enclosure are optional and must be ordered separately.

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Portfolio	CommScope®
Product Type	Fiber wall box
Product Series	WB2

General Specifications

Color	Black
Interface	Unloaded
Lock Type	Padlock ready

Material Specifications

Finish	Powder coated
Material Type	Steel

Environmental Specifications

Environmental Space	Indoor
Safety Standard	UL
