

Getting started with our CPI Training for CBRS

COURSE ENROLLMENT & CPI CERTIFICATION GUIDE

PLEASE NOTE: CommScope will no longer offer its CPI training course after December 1, 2022. All course/exams must be completed by December 15, 2022.

How to Enroll for the Training Course

- Navigate to the [CommScope](#) website.
- Click **Login** at the top of the page.
- If you already have a **My CommScope** account, log in with your credentials.
 - If not, please click **Register** and sign up for an account.
- Once you are logged into your account, you will see a **CommScope University** tile under **My Applications**.
 - If you do not see the tile, you may need to refresh your screen or log out and log back in for it to appear on your page.
- Click on the CommScope University tile and in the search box at the top of the page, enter **ND7502 CommScope's CPI Training for CBRS**.
 - Or navigate to **Catalog > Product Training > Mobility Solutions > NAR > CBRS CPI/CBSB – NAR > ND7502 CommScope's CPI Training for CBRS**.
- Add the course to your cart and **Check Out**.
 - If you have a promo or voucher code, enter it in the **Coupon Code** field in the checkout screen.
- You're now enrolled and can begin your training. The course is ready to start in your **My Courses** section.

Scheduling the Exam with ProctorU

(video-proctored certification)

- Click [here](#) to register for a **ProctorU** account (please include your mobile number during the registration).
- **Log in** to your account and select **Schedule New Session** to plan the date and time of your exam.
 - Note: You will not incur any additional charges for scheduling this proctoring session.

CPI Certification—Receiving your digital certificate from INSTA

(CommScope's certificate authority partner)

- Upon successfully passing your exam, you will receive an email from **INSTA** (support@insta.fi) within 3 business days. The email will include instructions to download your digital certificate. Also, you will receive a password via SMS to download the certificate.
- Download and install the certificate on your device within two weeks from receipt of email and password.
- Back up the P12 file in a secure place in case you need to transfer it to a new device in the future.
