

Reel recycling

Recycling reels reduces landfill use and promotes site clean-up in your area.

Getting started is simple

1

Accumulate a load of reusable CommScope reels.

2

Call an approved reel recycling vendor for your type of reel to schedule a pickup. Coordinate with vendors for availability/timeframe.

Start recycling your used CommScope reels today

Here's why...

- **It's easy**—Our recycling vendors handle the whole process.
- It lets you reclaim valuable yard space!
- **It's environmentally friendly**—Recycling reels reduces landfill use and promotes site clean-up in your area. Efforts have already resulted in hundreds of millions of pounds of lumber and HDPE being reused multiple times.

Choose a vendor based on your reel type

When contacting a vendor, please:

- Provide photos of requested recyclable reels.
- Have a minimum full-load quantity before requesting pickup.
- Provide dimensions of reels being picked up.
- Ensure flanges are smooth and perpendicular to the drum.
- Ensure wood/lumber is not decayed or damaged.
- For special requests such as cable disposal, non-CommScope reel pickup, expedited pickup, and other recycling questions, please discuss with local vendors for their associated customer costs.

It's easy and ecological!
