7761433-00-NEW | e-POI RF Module

ERA® Point of Interface RF Module

Product Classification

Product Type	Point of interface card
Product Brand	ERA®

General Specifications

Device Type	Attenuator
General Alarm	Integrated into management system
Input Connector Interface	4.3-10
Input Connector, quantity	4
Management Interface	Integrated into management system
Note	The input connectors are located at the rear side of the module
Output Connector Interface	QMA
Output Connector, quantity	4

Dimensions

Height	170 mm	6.693 in
Width	50 mm	1.969 in
Depth	440 mm	17.323 in

Packaging and Weights

Weight, gross	6.4 kg	14.11 lb
Weight, net	5.1 kg	11.244 lb
